April 3, 2020

Due to the rapid spread of COVID-19 and concern for the health and safety of children, families, and staff, CSP Head Start/Early Head Start center services are cancelled until further notice. While we are saddened by this news, the health and safety of our children, families, and staff comes first. It is vitally important that our children are and remain school ready. We know and understand that the children we serve don't receive "report cards" or have to "pass", but their education, growth and development are still very important. Although we will not physically be in a building together, program staff are committed to delivering services to children and families remotely. Services will be provided electronically and in print form. The staff will be in contact with you regularly to offer support, provide activities, assist with needs and answer questions, as appropriate.

Be reminded of the following:

- Please check your email for resource invitations and updates.
- Please provide us with updates if your contact information changes.
- The program is providing meals for enrolled children every Monday. The package includes meals for five (5) days. Distribution of meals will take place 9:00 am – 11:00 am at designated sites previously noted.
- Printed packets will be available during meal distribution.
- We are here to help!

See attachments for additional information and resources. Please contact us by telephone at 205-469-0361 or email at [awilson@cspwal.com](mailto:awilson@cspwal.com) for any questions, concerns, or needs.

Sincerely,

Alexis Wilson  
Head Start/Early Head Start Director

Cynthia W. Burton  
Executive Director
